

Paradigm Shifters Learning Symposium

School visitation program

Tuesday July 30 and Wednesday July 31 2019

Symposium schools have opened their doors for you to visit and experience their teaching and learning approaches shaped by Yong Zhao's work.

Please make your selections from the information below and complete your registration on the Symposium website.

TUESDAY JULY 30

| TIME | SCHOOL | PRESENTER/S | DESCRIPTION |
|-------------------|---|---|---|
| 10.00am – 12.00pm | <p>Annesley Junior School</p> <p>Meeting point: Front Reception 28 Rose Tce, Wayville</p> | <p>Sarah Walsh, Co-ordinator of Student Autonomy and Wellbeing</p> <p>Donna Nicolle, Deputy Principal and Head of Early Years</p> | <p><i>Children are capable now and in the future</i></p> <p>At Annesley Junior School our image of each student is that they are unique and hold great potential. Our learning environments have been purposely created to provide time and space for children to create, innovate and collaborate with peers of all ages. Our teachers are mentors supporting our students to discover their passions, develop their skills and explore how they can utilise their individual strengths. They play, learn and work together taking action to add value to our world. Like all learning our journey is ongoing and ever changing. Come and see our journey so far.</p> |
| 11.00am – 1.00pm | <p>Victor Harbor High School</p> <p>Meeting point: Innovation Building, George Main Road, Victor Harbor</p> | <p>Jody Peterson, Coordinator; Learning Innovation</p> <p>Innovation Team & Students</p> | <p><i>Educational Disruption and Entrepreneurial Learning</i></p> <p>Tour of innovation facilities (STEMWORKS renovation). Entrepreneurial learning model and mini showcase on "The Moon Race".</p> |

The Walford Tour will involve attendance at the 2019 Walford Festival of Ideas, as well as hearing from some students about the past festivals and our community project. We will also incorporate a tour of the recently refurbished Ellen Benham Science Centre.</p> |

Paradigm Shifters Learning Symposium

School visitation program

Tuesday July 30 and Wednesday July 31 2019

WEDNESDAY JULY 31

| TIME | SCHOOL | PRESENTER/S | DESCRIPTION |
|-------------------|---|--|---|
| 10.00am – 12.00pm | Trinity College North Meeting point: Front Office, Alexander Avenue, Evanston South | John Haynes, Head of Pastoral Care Melanie Krueger, Teacher & Head of House | <i>Plant Grow Go</i> Developing student agency and skills in financial and social entrepreneurship using our produce-based garden. Students will take participants on a tour of the garden and explain its purpose. Members of the 'Plant Grow Go' team will demonstrate the progression of the garden from beginning to now, and where they are going in the future. They will speak about their collaboration and benefits of working with outside agencies and how they work together as social entrepreneurs in the wider community. Participants will sample food cooked by students using fresh products from the garden. Don't miss out on seeing this unique project. |

Paradigm Shifters Learning Symposium

School visitation program

Tuesday July 30 and Wednesday July 31 2019
